Freight is prepaid and allowed on all shipments of products, except parts and concrete bollards, with a net order value of \$2,500 and above to destinations within the contiguous United States. Freight costs for concrete bollards will be added to the invoice by AAL. Actual freight costs are subject to change. Shipments to Alaska and Hawaii will be made to the nearest ports of embarkation in the continental U.S. as prepaid to such points. (Freight allowance for Alliance orders through the end of 2008 remains at \$2,000). Consult factories for applicable Terms and Conditions outside the contiguous United States.

AAL reserves the right to select carrier, routing and method of transportation via least expensive surface route within the Contiguous United States. Buyer will assume all charges for transportation specified via more expensive means such as flatbed trailers, dedicated trucks, and other premium services. Multiple deliveries for released portions of orders are routed considering the shortest length of haul. AAL reserves the right to ship all prepaid orders in one complete shipment. Partial shipments may be made at our discretion. AAL will not be responsible for any cartage or storage charges at destination.

AAL's responsibility for exception-free delivery ceases when the transportation company receives shipment in good condition. Claims for loss or damage must be reported directly to the carrier. Please contact AAL directly with any questions regarding our partial release policy.
