## **Fabbian USA Corp. Warranty**

The quality of Fabbian Lighting fixtures is unsurpassed in the lighting industry! Made from Italian glass, the strongest metal compounds, applied with the strongest weather resistant paints, and the tightest fittings, a Fabbian Lighting fixture is made to last a lifetime. That is why Fabbian USA Corp. offers its own warranty on every Fabbian Lighting fixture for as long as the original design and assembly parts are kept in the fixture

The warranty applies against all defects in workmanship, assembly, and materials used in the products and also against leaks and rust to the fixture. Fabbian USA Corp. will repair or replace, at our sole discretion, any products that fail to operate due to a defect, excluding the free replacement of glasses which have become damaged due to mishandling, improper installation or use, or resulting from extreme acts of nature, or the free replacement glass of lamps which may have been provided with certain fixture.

The warranty applies to all fixtures purchased on April 1, 2008. Fabbian USA Corp. lighting will not honor any claim for improperly installed fixture(s), or when modifications outside the manufacturer's warranty have been made. No charges back, charge for labor or materials will be honored.

For warranty claims or further questions regarding Fabbian USA Corp. warranty policy on Fabbian Lighting products, contact [usa@fabbian.com](mailto:usa@fabbian.com) or 1 866 Fabbian.
